Irina Daylene | Religious Sculpture

Irina Daylene is US artist and sculptor with Armenian-Russian background. She has now exhibited in numerous juried and solo shows around the world. Her artworks have won several awards and are owned by art collectors in the USA, Russia, the UAE, Canada, Mexico.

Her sculptures are made of various medium:

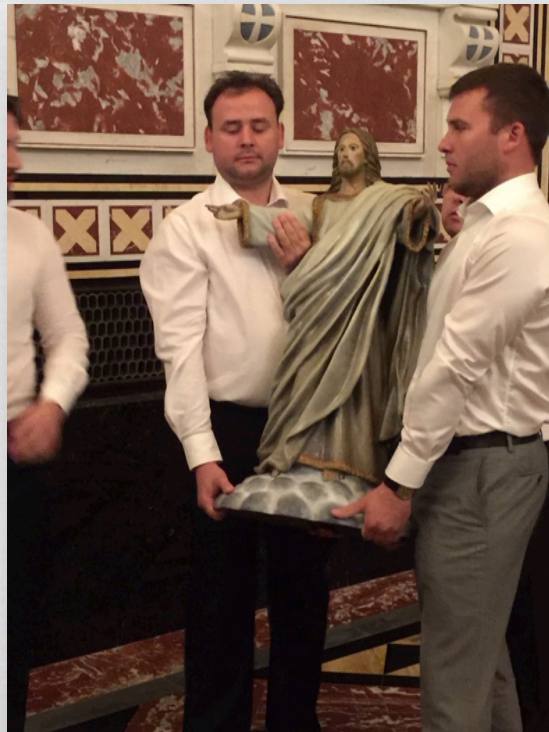

- ❧ Skin color patina - became her unique signature;
- ❧ Stainless steel and gold plated bronze give modern look to her artworks;
- ❧ Colorful acrylic allows to see the beauty of light.

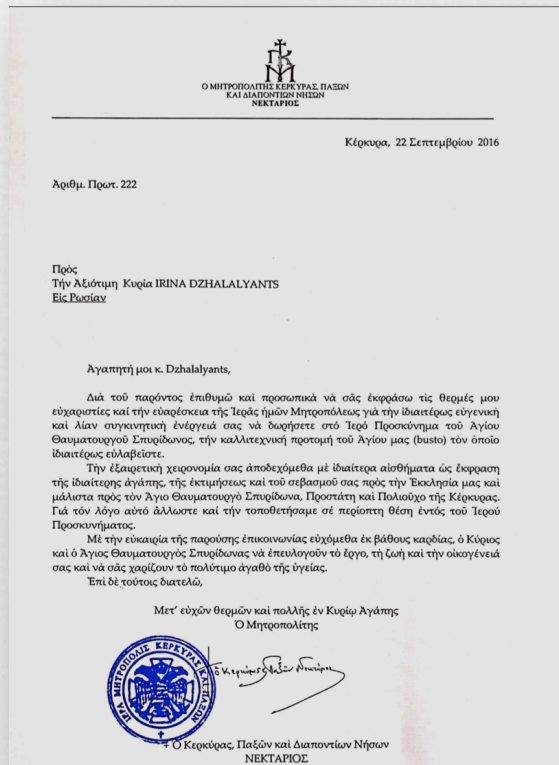

Irina Daylene | Religious Sculpture

Since her early childhood Irina has been living with the deep faith in God and grateful toward Him. Once Irina had an inspiring meeting with one of the enlightened elders of Russia who blessed her for the creation of the sculpture embodying St. Nicholas. During her next visit she was blessed for the creation of Jesus Christ our Savior. In 2015 this sculpture was honored to be given to the Patriarch Kirill of Moscow and all Russia.
